General Synod is a one-year Appointment. SGL is a two-year Appointment.

Code: (year) = last time a delegate attended. (year-D) = declined appointment.  
(year-new) = church is new to the rotation list.

Note: churches are entered on these lists following the order in which they were enrolled in the classis, which is oldest to newest.

Churches are expected to provide their own alternates or substitutes. When a church declines to send a delegate, all other classis churches are burdened. When a delegate is not present, Holland Classis is under-represented at the synod meeting.
