

**Grace Community Church**  
**Worship Director**  
**Job Description**

**Hours:**

This position will require 10-15 hours per week.

**Responsibilities:**

Plan, organize and lead the music for both the traditional and contemporary worship services working closely with the pastor.

Select and coordinate music with the pianist and organist for the traditional services, and with the praise band for the contemporary service.

Organize and lead adult, as well as multi-generational, choirs and other music groups as deemed necessary and appropriate.

Schedule and lead practices with the praise band.

Schedule pianists and/or organists for the traditional service.

Schedule musicians and song leaders for evening service.

Work closely with the person who is scheduling special music.

Work with members of the technology team to prepare the computer in order to project necessary images on screen for worship.

Work to incorporate and involve more people from all age groups in worship music in order to use the gifts of the church for God's glory.

Be a unifying presence between the two worship services and within the church.

**Necessary Qualifications and Personal Characteristics:**

Strong Christian faith that is lived out daily

Ability to play piano and/or guitar and read music

Willingness to encourage and empower others to use their musical gifts in worship

Have a good understanding of Reformed worship.

Exhibit a spirit of cooperation and teamwork.
